

Draft Request for Proposal (DRFP) NNK0704121R Questions and Answers Synopsis

The Medical and Environmental Support Contract (MESC) Procurement Development Team (PDT) conducted a Site Visit and Industry Day meeting with interested parties on July 18, 2007. This synopsis provides interested parties with some of the questions that were received that day as well as the answers to those questions, and also provides responses to some of the questions submitted by interested parties in response to DRFP. Offerors should note that this is a partial list and additional answers will be forthcoming and will be synopsisized and posted on the World Wide Web at <http://prod.nais.nasa.gov/> and on the MESC website, <http://mesc.ksc.nasa.gov/>.

The following answers are provided in response to questions submitted regarding the DRFP. Offerors are cautioned that the final Request for Proposal (RFP) will take precedence over the answers posted in response to questions received on the DRFP.

A list of attendees for the Site Visit on July 18, 2007, and an updated Interested Parties list (as of 08/21/2007) is also included in this posting.
